Dinosaur Quiz – What Am I?

Read the clues below. Choose your answer from the list of dinosaurs at the bottom of the page.

What am I?

I am a strange-looking creature with a sturdy body and legs. I have two rows of platelike spines along my back. I move very slowly and like to eat plants.
I am a ?

What am I?

I am a meat-eater. I am very large and I walk on two legs. I have teeth as sharp as knives and the other dinosaurs fear me because I could eat them for dinner in a flash.
I am a ?

What am I?

I have sharp teeth that help me eat cycad leaves and ferns. I have two horns on my head and a smaller horn above my mouth. There is a frill around my neck.
I am a ?

What am I?

I am a plant-eater. I have a large head and long back legs. My tail is long also and I am told I look like an over-sized lizard. A T-rex loves to eat me for dinner.
I am an ?

What am I?

I move very quickly and I like to eat meat. I am very vicious and can jump on top of my prey before they know what hit them.
I am an ?

What am I?

I fly through the air in search of insects to eat. My wings are very long and my tail helps me to balance as I fly.
I am a ?

Iguanodon
