

## Worksheet 1

# Extra Lucky

## *Pet Photos*

Can you find a photo of yourself playing with your pet? Perhaps you can find two from different years of your life. Stick them on this page and write a few sentences to explain where and when the shots were taken and how old you and your pet are at the time.

If you haven't got a pet or can't find any photos — use your imagination and some artwork to create some photos in the space below!
