

Kafoops' Zoo

Study the Signs

What sort of signs would you find at the Zoo? Think about each of the following headings. If you don't know what the word means, find it in a dictionary.

1. Directions (eg. where to find certain animals)
2. Facilities (eg. what things would visitors to the zoo need? Toilets etc)
3. Services (eg. bank machines, Lost Property...)
4. Factual Information (eg. what animals eat etc)

Now create some signs for each of these headings.
