

## Worksheet 1

# Peabrain

## *Design a Comic Strip*

On a separate piece of paper, design a comic strip showing the events of the story 'Peabrain'. Use headings, speech bubbles and colourful illustrations to display the events listed.

| <i>Day</i>        | <i>Event</i>  |
|-------------------|---|
| <b>Monday</b>     | A bird tapped on my bedroom window. It was a peacock. He stayed with us.                      |
| <b>Tuesday</b>    | I gave the peacock some food. He sat on our car and scratched it. Then he screamed all night. |
| <b>Wednesday</b>  | Our yard was a mess. There was bird poo everywhere. We named him 'Peabrain.'                  |
| <b>Thursday</b>   | We put some seed inside the shed and tried to shut him in. Peabrain got out.                  |
| <b>Friday</b>     | Peabrain showed off on the roof. He leaned over and fell off the roof.                        |
| <b>Saturday</b>   | We cleaned up the yard. We tried to sell him to a Bird Lady but we couldn't catch him.        |
| <b>Meanwhile</b>  | We learnt to live with Peabrain.  |
| <b>One day</b>    | Our house was robbed. The burglar slipped on peacock poo and got caught.                      |
| <b>Afterwards</b> | We put a sign on our gate that said 'Beware of the Peabrain watch dog!'                       |
