

## Worksheet 1

# One Wish

## *Rhyming*

The genie in the story couldn't hear properly, so when the kids made wishes they got something that rhymed with what they had wished for.

Rex wished to be **really rich**, but he got **a witch**. Carmen wished for a **big house** but she got a **pig house**, and Maisy wished for **lots of gold**, but she got **lots of cold**.

Using rhymes think of what the genie might have given people if they made the following wishes:

1. a fast car

---

2. a toy store

3. lots of money

---

4. a new bike

---

5. a dream house

6. loads of lollies

8. a winning team
