Excuses

How often have you done something wrong, or not done something you should have? How often have you made an excuse?

I didn't do my homework because ...

- the dog ate it
- my baby brother drew on it
- it got washed in my pocket
- I had to visit my Grandma ...

Now is your chance to make up some really exciting excuses!

“You’re late! Why?”

“How did that get broken?”

“Was that a note I saw you passing?”
