## *Pet Poems*

Pets can be a lot of fun – even when there is no mystery at all. Try your hand at writing some pet poems. Below are examples, and a simple-to-follow formula, which you might like to follow.

Have you seen my pet?  
Shadow-chasing, bird-watching, milk-loving, softly purring,  
Cat.

Have you seen my pet?  
Hole-digging, ball-chasing, food-loving,  
‘Take me for a walk please?’,  
Dog.
