

Two Hours from Town

Outback Emergency

‘The Flying Doctor bundled Jay’s mum onto a stretcher and out to the plane in under 10 minutes. As she passed, she reached for Jay’s hand and gasped, “See you soon.” ‘

The Royal Flying Doctor Service has been a life-saving organisation for outback Australians for many years.

Design an **information brochure** about The Royal Flying Doctor Service.

Include the following information:

1. What does the service do?
2. Who established it?
3. When was it established?
4. Who does it help?
5. Why is it important?

Other Ideas:

- Find or draw pictures to support your facts.
- List any resources you use in your brochure.
