Jessica Meets the Hitchhiker

In the story, Jessica never gets to talk to the ghost hitchhiker.

Imagine, that night, Jessica was in bed when the hitchhiker returned. Your story could be called 'The ghost returns'.

Here are some questions to think about before writing your story:

How did Jessica react?

What did the mystery girl say?

Did they become friends?

What did people think about Jessica having a ghost friend?

A line drawing of a car with license plate KJH-203 parked on a narrow road. A person is standing next to the car, and a sign in the background reads "NARROW BRIDGE SLOW DOWN". The drawing is simple, with outlines for the car, the person, and the sign. The car is a sedan, and the person is standing to the left of the driver's side. The sign is on a post and has an arrow pointing to the right. The background shows some trees and a fence.
