Billy that's myth a said _____

curiosity too knew Billy his it strong was fate tempting but was his

above Billy triangular could and a shape see columns huge

biggest planet animal and harmless quite They're on the the

4. Read the sentences and answer YES or NO.

Harry thought Atlantis was in the Atlantic Ocean.

Harry told Billy that their adventure would be completely safe.

Harry and Billy went to Atlantis in a time machine.

They knew about Atlantis because of Plato.

A Kraken is another name for a giant squid.

Below the sea, they were attacked by a giant fish.

They saw a massive whale, but he was quite friendly.

Eventually they got lost and had to come home.

5. Adjectives are describing words. They tell us about a noun. For example the “**silly** boy” describes the boy. Can you say what these adjectives from the story mean?

ancient _____

crazy _____

cramped _____

exciting _____

fabulous _____

safe _____

stranger _____

vanished _____

weird _____

wonderful _____

6. Here is a picture from the story. Write about what is **happening in the picture.**
