

Worksheet 2

Copy Frog

Pet Names and Habits Survey

Rebecca owns Rundell the Rooster, Simon has Grounded the Budgie, Danny has the marvellous Sebastian and then there's plain old Frog!

Find out about the pets owned by students in your classroom. Conduct a survey to find out the names people have given to their pets. Ask your classmates to tell you something quirky that identifies their pets. Or you might come up with an extra question of your own design.

Write about your findings and share them with the class.
