

# The Luck Child

## *Bad Luck, Good Luck*

During the luck child’s mission, he encounters some people who need help to solve their problems. The old woman cleverly finds out the answers and the luck child then helps these people as he heads back to the palace.

Problem	Solution
A fountain that once flowed with wine dried up.	
A tree that once bore golden apples does not even grow leaves.	
A ferryman does not know what to do so he can be set free.
