

Worksheet 1

The Bravest Knight

Fearful Encounters

Bren fears his Mum stopping him more than he fears the dragon! The dragon fears Bren the 'swamp monster'! Even when he's won his challenge, Bren fears his Mum finding out!

Use these situations to draw a comic strip. Use speech balloons or captions. You should show who has to face who and what they would say to each other. Plan the comic strip (below) and then create it on white paper.

For example:

Box 1. Bren looking over his shoulder with a speech balloon saying 'Hope she can't see me!' while the fierce dragon blows fire at the back of Bren's head.

Box 2. 'Sorry dragon, didn't see you there. I was watching out for a different monster.'
Bren apologises and the dragon looks puzzled.

Box 3. 'Run for it! She's seen us!' Bren and the dragon get set to run for their lives and Mum's face can be seen with a speech balloon saying 'Bren! I know what you're up to. You and that dragon get here now!'

My comic strip involves (characters): _____

The situation is: _____

What happens in box 1? _____

What happens in box 2? _____

What happens in box 3? _____
