## *Knight Jokes*

Bren jokes about being a dragon's 'knight-time snack'! Can you come up with some other funny ways of using the word 'knight'. You might like to write some jokes or just put the phrase with a funny illustration and share it with friends.

**Ideas:**

- **Knight alight** — when the dragon's fire gets a hold of him/her, everyone can see the glow!
- **Knight time, Fort Knight, Party Knight** ... use these and make up your own meanings and images. Try to come up with some others!
