

Worksheet 1

Mr Moogle is Missing

Peculiar Pets

Kate has a most unusual pet - a monster.

While most people have cats and dogs as pets, some people have really uncommon pets: snakes, spiders, lizards, rats, hens, fish, sheep, geese, ants, frogs, and many more.

Imagine you had a peculiar pet! It may be anything you choose. Now answer the following questions:

1. Where do you keep your peculiar pet?

2. What do you feed your peculiar pet?

3. What tricks have you taught your peculiar pet?

4. What excitement or trouble has your peculiar pet caused in the family or neighbourhood?

Congratulations! Isn't it great to have a peculiar pet?
