

Worksheet 2

The Magic Statue

Myths and Morals

Pygmalion is tricked and made to change for the better in this story. In the process, he learns something important, and so do readers. We could probably the story's moral like this:

Don't be too proud or you might be taught a lesson.

Most old stories - fairy tales or myths - have some sort of 'moral' built into them - a lesson to learn. Can you recall one you have read, and explain what its moral is?

(You might like to use one of the other stories in 'Myths and Legends'.)

The Myth

The Moral
