

PROCEDURE TEXT # 2: How to play My Magic Number

What you need:	Setting Up:	Aim of the Game:
<ul style="list-style-type: none"> o three or more players o two chairs o pencil o paper 	<p>Place the two chairs next to each other.</p> <p>Players 1 and 2 sit on the chairs. Choose one other player to be the <i>Number Master</i>.</p>	<p>To be the first player to guess the magic number.</p>

How to play:

1. The Number Master writes a three digit number on the piece of paper. This is the magic number.
2. The Number Master tells Players 1 and 2 the range of the magic number. For example, if the magic number is 345, they say, "The magic number is between 300 and 400."
3. Player 1 tries to guess the magic number. If it is incorrect, the Number Master tells both players if the magic number is higher or lower than the number guessed.
4. Player 2 tries to guess the magic number. If it is incorrect, the Number Master tells both players if the magic number is higher or lower than the number guessed.
5. Players 1 and 2 take turns until one of them correctly guesses the magic number.

1. The text says a game of *My Magic Number* needs at least

two players.

three players.

four players.

five players.

2. The winner is the player who
