Worksheet 1

The Lady of Shalott

Use reference books or the internet to research the following. Only very short, one or two word answers are required.

1. Who was the legendary king who met with his knights at the Round Table?

2. Where did this king establish his court?

3. One of the knights was Lancelot. Find three words that describe Lancelot.

4. Who was the enchanter who helped this king?

5. There are many ideas about where this king established his kingdom. Write a short paragraph to tell where it may have been.
