

The Ghost Train

Writing Rules

1. Katie felt the hairs on the back of her neck start to rise when she first saw the creepy boy. What do you think this means?

2. What are some other signals your body can experience when you feel scared?

Ghost Train Rules

The boy was electrocuted when he jumped out of the Ghost Train. Make a list of rules that should be displayed at the entrance of the Ghost Train ride so that this does not happen again.
