Click Go the Shears! Draw a Map

'The shearers' quarters were a tattered old wooden building. They were clean, but completely empty. We lugged our sleeping bags, foam mats and midnight snack in a rucksack over the bridge, up the hill and into the shearers' quarters. We found a nice clean bunk room and spread out.'

Using the box below, design a map of the shearers' quarters from a 'bird's eye view'. (In other words, a view looking in from the roof!) Include the following information:

Rooms — shearing room, 3 bunkrooms, bathroom, toilet, mini-kitchen, lounge area.

Furniture — pot belly stove, bunks, couch, TV, oven, refrigerator, sink

Other items — shears
