The Three Little Pigs

A Moral Story

'The Three Little Pigs' is a fine example of a moral tale - a tale that entertains, but also tells you how to live your life. Think about all the stories that have a lesson or a 'moral'. For example:

The Hare and the Tortoise

Moral: Slow and sure wins the race (or patience and concentration pay off).

Little Red Riding Hood

Moral: Do what your parents tell you, or you may be in great danger.

A Christmas Carol (the story of Scrooge)

Moral: Don't be mean. Love other people and improve your life.

The Fisherman and his Wife

Moral: Don't be greedy. Your greed can be your undoing.

Use the space below to draw a picture from a story you know that has a 'moral'. And add what the moral is as a caption.
