

Worksheet 2

Wendy and the Dragon

Unscramble the story

Here are some things that happened in "Wendy and the Dragon". However they have been all scrambled up. Can you put them back in the correct story order by writing numbers 1-10 against each?

- Wendy left the egg in bed, to keep it warm.
- They came to an island. The dragon landed by a dark cave.
- Wendy climbed on his back. And the dragon flew out the window.
- In the cave was a family of dragons. Big dragons, small dragons, dragons of every kind.
- The little dragon licked her. A tear rolled down his face.
- Each night, Wendy fed the little dragon. He loved milk. He adored chocolate. He hated vegetables. Wendy felt herself picked up. She saw a dragon's giant eye. She felt its hot breath.
- Under the blankets was a giant pearl. It was the size of a dragon egg.
- And he grew. And grew. And grew.
- Wendy was walking by the sea when she saw a very strange egg.
