Design a Glossary

A **glossary** explains to the reader the meaning of some of the words in the text that are associated with the topic. This story is the true tale of an extraordinary adventure in a yacht.

Match the following words associated with the topic to their meaning and then choose one word to illustrate.

*keel**hull**sail**yacht**mast*

| Word | Meaning | Illustration |
|------|-----------------------------------------------------------------|--------------|
| | A small boat, usually with sails, built for racing or leisure | |
| | An upright wooden or metal pole to which are attached the sails | |
| | A heavy fin built under a boat and used to keep it steady | |
| | A sheet of canvas spread out to catch wind to propel a boat | |
| | The frame or body of a boat | |
