

Worksheet 3

The Great Houdini

Learn a Magic Trick

The Great Harry Houdini started to do magic tricks when he was 15 years old. Locate a book or website about magic tricks. Learn a magic trick and write it out as a procedure. Use the following format to help you.

My Magic Trick

Equipment (What items do you need to perform the magic trick?)

Method (What do you have to do to make the trick work?)

Step 1: _____

Step 2: _____

Step 3: _____

Step 4: _____

Now perform your magic trick for some friends, your family or even your whole class.

Don't forget that great magicians don't disclose their magic secrets!
